

Middle School Teachers!

Want to join a cutting edge team of teachers?

How Do I Create
Real World
Problems?

What Can I Do To
Engage My
Students in Hands-
on Learning?

Solution Is This!

Find a team made up of a Math, Science, ELA, and high school CTE teacher (if you are able to)

Join us on a two year journey in Project Based Learning (PBL) and creating highly engaging multidisciplinary STEM PBL lessons.
